

# PURPLE PROFILES *of* COURAGE

*Name:* Marci Benson

*My Connection to the Cause:*  
I support or care for  
someone with Alzheimer's.

*My Inspiration:* My mother

*How I Stay Strong:* I connect with the 24/7 Helpline and talk with other people affected by the disease. My husband and prayer are other comforts in my journey.

*My Advice to Others:* First, call the 24/7 Helpline. Realize that this disease is not your fault or their fault.

*My #ENDALZ Battle Cry:* "The disease needs a cure...and soon!"
